IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.6739 of 2008
ARUN SAO
Versus
STATE OF BIHAR
---

4. 22.9.2008 Heard.

It is true that the informant does not appear to be a witness of the real part of the occurrence of firing two shots and killing the deceased, her husband. However, the further act to which the lady appears as a witness could be the strongest indicator about the participation of the petitioner Arun Sao for the commission of the offence that he tied rope in the leg of the dead body, dragged out and took it to his door.

The petition is dismissed.
